

DESCRIPTION OF THE VARIABLES OF THE FILE "CYCLE1" -VICENZA

| <i>Progressive number of field</i> | <i>Name of field</i> | <i>Type of field</i> | <i>Length of field</i> | <i>Contents</i>  |
|------------------------------------|----------------------|----------------------|------------------------|--|
| 1                                  | <b>SIGLA</b>         | Numerical            | 4                      | Code of the woman  |
| 2                                  | <b>ESITO</b>         | Numerical            | 1                      | Kind of the last event before the cycle's date of beginning: <ul style="list-style-type: none"> <li>• 0 = no outcome</li> <li>• 1 = birth of an alive child</li> <li>• 2 = miscarriage</li> <li>• . = no information</li> </ul>  |
| 3                                  | <b>DTESITO</b>       | Date                 | 8                      | Date of the last event before the cycle's date of beginning  |
| 4                                  | <b>PATDONNA</b>      | Numerical            | 1                      | Woman's pathology: <ul style="list-style-type: none"> <li>• 0 = no pathology</li> <li>• 1 = continuous vaginal loss</li> <li>• 2 = discontinuous vaginal loss</li> <li>• 3 = affection of the genital apparatus</li> <li>• 4 = general disturbances</li> <li>• 5 = taking medicine</li> <li>• . = no information</li> </ul>  |
| 5                                  | <b>CONDIZIONE</b>    | Numerical            | 1                      | Woman's condition: <ul style="list-style-type: none"> <li>• 0 = no particular condition</li> <li>• 1 = post-childbirth without information about suckling</li> <li>• 2 = complete suckling</li> <li>• 3 = pre-menopause (after 40 years old)</li> <li>• 4 = pregnant</li> <li>• 5 = post-miscarriage</li> <li>• . = no information</li> </ul>  |
| 6                                  | <b>NSERIE</b>        | Numerical            | 1                      | Progressive number of the group of consecutive cycles to which a cycle belongs   |
| 7                                  | <b>NCICLO</b>        | Numerical            | 3                      | Progressive number of the cycle  |
| 8                                  | <b>DTCICLO</b>       | Date                 | 8                      | Date of beginning of the cycle   |
| 9                                  | <b>QUALITA</b>       | Numerical            | 1                      | Qualification of the cycle: <ul style="list-style-type: none"> <li>• 1 = complete information: no days without information</li> <li>• 2 = incomplete information: some days without information</li> </ul>   |
| 10                                 | <b>TIPOCICLO</b>     | Numerical            | 1                      | Kind of cycle: <ul style="list-style-type: none"> <li>• 0 = without peak and presence of only one "Wet" interval</li> <li>• 1 = with peak and presence of a "Wet" interval</li> <li>• 2 = with two or more peaks</li> <li>• 3 = presence of two or more "Wet" interval</li> <li>• 4 = no presence of "wet" days and no presence of peak</li> <li>• 5 = cycle without peak possibly due to weak information on mucus</li> </ul> |
| 11                                 | <b>LCICLO</b>        | Numerical            | 3                      | Total length of the cycle  |

| <i>Progressive number of field</i> | <i>Name of field</i> | <i>Type of field</i> | <i>Length of field</i> | <i>Contents</i>   |
|------------------------------------|----------------------|----------------------|------------------------|---|
| 12                                 | <b>G1</b>            | Character            | 1                      | Character for type of mucus <ul style="list-style-type: none"> <li>• . = no information</li> <li>• M = period</li> <li>• D = dry</li> <li>• T = infertile mucus (tacky)</li> <li>• W = fertile mucus (wet, slippery)</li> <li>• P = peak</li> <li>• S = hematic loss different from menses</li> </ul> |
|                                    | <b>G2</b>            | Character            | 1                      | Information on type of mucus.   |
| ....                               | ....                 | ....                 | ....                   | ....  |
|                                    | <b>G50</b>           | Character            | 1                      | Information on type of mucus  |
